Data Processing Agreement

This agreement governs the processing of personal data by the Supplier on behalf of the Client.

1. Scope

The Supplier processes personal data only on the Client's documented instructions, for the purpose of delivering the agreed services.

2. Security

- Data is encrypted in transit and at rest.
- Access is limited to personnel who require it.
- Breaches are notified without undue delay.

3. Sub-processors

The Client authorises the Supplier to engage sub-processors, subject to equivalent obligations.
